

September 1 and requested that he provide an electronic copy of the notice to Defendant. As of the time of the filing of the instant motion, Sidley Austin has not received any return email or confirmation from the solicitor. Plaintiff is also positioned to provide notice of the September 1 hearing by sending the electronic notice of hearing to Defendant via overnight mail for receipt tomorrow morning, but believes that the interests of justice will be served by allowing additional time for notice prior to hearing.

4. Should the Court reschedule the hearing, Plaintiff respectfully requests that the hearing be scheduled for another day later this week, given the emergency nature of the Motion, which is based, on information and belief, on the fact that the real estate is presently under contract for sale. Accordingly, AIB respectfully requests that the hearing be adjourned several days, until September 3 or September 4.

5. Should the Court continue the hearing, counsel for AIB will, upon receipt of the new hearing notice, provide notice of the hearing date and time by sending Defendant a copy of the notice of hearing by overnight mail, or by providing notice by any other means as the Court may direct. In addition, if counsel is able to determine that the above-referenced solicitor represents Defendant in connection with this action, counsel for AIB will provide notice of the hearing, as rescheduled, to him or to any other legal representative of Defendant who may be identified.

WHEREFORE, Plaintiff respectfully requests that the hearing on Plaintiff's Emergency Motion for Approval of Real Estate Attachment be continued until September 3, or September 4, 2015.

Respectfully submitted,
